Finland

Product: collection EDGES AND LINES – tinted porcelain cups and bowls.

- EDGES AND LINES bowl
- EDGES AND LINES cup
- EDGES AND LINES small plate

On the bottom of the products there is a Clayful logo imprinted in black pigment, covered with a transparent glaze.

Material: tinted porcelain, transparent glaze, fired to 1290C.

Wares get hot when filled with hot liquid. Dishwasher- and microwave safe, not oven proof.

Hereby I declare that products mentioned above adhere to EU laws regarding materials intended to come in contact with food. These ceramic articles meet the requirements of

- Regulation (EC) No 1935/2004
- Decree 165/2006 of the Finnish Ministry of Trade and Industry
- GMP-regulation (EU) 2023/2006

These articles will not in foreseeable conditions release to food their constituents in amounts which could endanger human health, change the composition of the food in an unexpected way, or cause changes in the organoleptic characteristics of food. No chemicals that are on the candidate list of particularly dangerous chemicals are used in manufacturing of the above-mentioned articles.

According to the Test report ID 13473 from the certified laboratory Measurlabs (attached), the migration levels of lead and cadmium are significantly below the legally stipulated limits.
